Premium Customers Deserve Premium Suppliers!

Our Premium Customers embrace the business philosophy that "time is money" and they understand the exceptional value that Montour provides through coordinated deliveries and reduced back orders. We consistently deliver complete orders direct from our warehouse to our premium customer's specified job site locations within one day of order placement. Your total project costs are reduced through: fewer project delays; less material handling requirements; decreased accounting paperwork and reduced expediting requirements. You owe it to yourself to become a Montour Premium Customer today.

WE ARE PROUD TO BE A WHOLESALER STOCKING DISTRIBUTOR FOR THE FOLLOWING SUPPLIERS:

Premium Customers Deserve Premium Suppliers!

Montour Industrial Supply is a locally headquartered, family-owned and operated distributor of Pipes, Valves, Fittings and Ancillary Products for Industrial Piping and Commercial Plumbing applications. The company was founded on the principle of providing exceptional customer service by stocking inventory to meet our customer's requirements. Montour does not rely on daily deliveries from a central service center to meet our customer's needs. We have a bountiful stock of most commonly used items and we stock many specialty items that our Premium Customers require on a recurring basis. A partial list is given below:
